

# Join the Medical Reserve Corps

*Creating prepared and resilient communities through service*

Improve local emergency response

Reduce vulnerability

Build community preparedness and resilience

## BECOME A PART OF THE MEDICAL RESERVE CORPS (MRC):

a national network of volunteer medical professionals, public health experts, and others who help make their communities stronger and healthier during disasters and every day.

Local MRC volunteers are trained as part of a team and work within their community's health, preparedness, and response infrastructures to help meet local medical and public health needs during emergencies. MRC volunteers also promote preparedness in their communities to improve everyday health, reducing potential public health risks and vulnerabilities.
